99 Points - Gary Vaynerchuk

"The flagship wine from this new venture is easily going to be the next great global cult wine. Think Clos Erasmus or Masseto; that's the level of quality that this wine brings! Dense, rich and explosive, with layer after layer of flavor and complexity. Ripe, but never over-the-top, this stunning effort should easily last 25 to 30 years. Expect ENORMOUS ratings for this wine. Syrah with a small amount of Grenache Noir. This wine just took my breathe away, though it is a little more over the top than most wines I score this high, to me this is the perfect example of a wine that knows how to handle it's huge, massive fruit and balance it with some of the most obvious structure I have seen in a wine. The pencil shavings in the mid-palate stood out and the ripe strawberry fruit that dominates the back end is world class!"
